18th Annual Edition

9240 State Highway 55, Pickerel, WI 54465 715-484-

January, 2022

We hope this finds you happy and healthy. 2021 brought many changes to our lives; some joyous, some sad. I'm sure many of you had a similar mixed bag last year. We started off with the joyous homecoming of our son, Brandon, and his family. They moved up from Florida to join us in the business. Having our grandchildren nearby has been a true blessing.

In May, we got word from Leader Dog that the puppy we raised for them was being "career changed", and did we still want to adopt him? So Semka is now a permanent member of our family, and loves having the kids around as much as we do.

We lost Amy's mom at the end of July, right before a week with 3 golf outings. If our challenges make us stronger, that was a major strengthening period for us, and we appreciate the outpouring of love and support from our dear friends and customers.

Joy filled the air again in August when our son Nathan and Cassidy finally got to have a wedding celebration here after postponing it in 2020. Alan built a beautiful log pavilion on the course, which provided a gorgeous backdrop for the happy couple and those who were able to attend.

We hope 2022 brings you many joy-filled days as well.

We send you love and blessings.

10th Annual Mike Pomasl Memorial Golf Fundraiser for Pickerel Rescue

This year's event on August 13th should be the biggest ever. Tee times are at 7am with breakfast after, 10am with lunch after, and 2pm with lunch before. Sign up and prepay at maplewoodgolfcourse.com. Cost is \$220/foursome with discounts for members. If you don't golf or can't get in because the event fills up, you can still come and participate in raffles, food, and music.

The Pearson-Pickerel Lions Club invites you to sign up for this year's fun-raiser golf outing on Monday, July 11. It's an 18-hole event with a 9-hole option. Lots of food, prizes, and raffles. This is a great group doing many good things for our community.

Where there's a need, there's a Lion.
