

Maplewood News 2023

January, 2023

We're enjoying this milder-than-average winter here in the Northwoods, and we hope you are enjoying yours as well, wherever this finds you. Whether or not you love the snow, I think all would agree that this winter has been spectacularly beautiful here.

Last fall we welcomed our 3rd grandchild, Findlay. A joyous way to finish the golf season, for sure. Grandchildren are most certainly the lights in our lives, as I'm sure every grandparent would agree.

We're kicking off our 19th year at Maplewood. My, how time flies! The rumors are flying as well; and to set the record straight, we have not sold the golf course. That being said, we are ready to entertain the idea of selling, should the right person come along with a reasonable offer.

Until then, we'll keep putting our best efforts into improving the course and facilities, as we have always done.

We send you love and blessings,
Alan and Amy

Golf Memberships

We are now accepting memberships for the 2023 season. We have not raised the membership prices this year. In addition to unlimited golf during regular play, members will get discounted entry to golf events, discounts in the pro shop, and the Central Wisconsin Golf association punch card. This card allows several rounds of deeply discounted play at each of the CWGA member courses, and the opportunity to participate in CWGA tournaments.
