January, 2024

Greetings, friends of Maplewood. We hope this finds you well and happy, and looking forward to a wonderful year. We sure are!

2023 ended with what we can only describe as a miracle. Our beautiful grandson, Teddy, was born on December 22 with a heart defect that led to 2 ambulance rides, ultimately landing him in Milwaukee at Children's Hospital in cardiac intensive care. Surgery went better than anyone expected, and he is home surrounded by love, as all children should be.

July brought the publication of Amy's first children's book. *Goodnight, Silly Squirrels* is a rhyming bedtime story that raises funds for Wisconsin Lions Camp for children and adults with disabilities. You can pick up a copy in the clubhouse or order online at Quigbooks.com to have copies shipped.

At the end of the season, the crew made significant improvements on Fairway #6, adding to the boulder wall edging the pond, leveling the fairway, and extending the cart path.

2024 is our 20th season. This beautiful course has come so far because of the support of our loyal customers. We owe it all to you.

We will be more actively pursuing a buyer this year, and we trust that the right people are out there,

ready to add their own special touches to all we've done. In the meantime, we will be here as we always have been, continuing to make improvements.

We wish you a blessed and beautiful 2024.
