

Maplewood News 2026

22nd Annual Edition

January, 2026

We welcome in this new year with our usual optimism for another wonderful, busy year at Maplewood. The course is in fantastic shape. The beautiful new practice green opened for play in the fall, and the old one will be levelled this spring to enhance our event area. And, yes, we are still here and still for sale. We know the perfect buyer is out there, someone who will continue to improve the course as we have, and will make this community proud.

And, speaking of proud, in November we welcomed twin granddaughters Isella and Kiara. After some extended time in the NICU, both were home in time for Christmas, giving us even more to be thankful for this year!

Here are some wonderful events to participate in this year:

On Saturday, February 14th, start your day at Pickerel Fire/ Rescue Station 2 on Highway 55 for the annual **Pancake Breakfast** to benefit the EMS program. In the afternoon, pop over to the Sno Club on DD for the annual **Chili Ride** fundraiser with food, music, and raffles.

On Saturday, April 25th, kick off the season with us for our annual Tee Party from 3 to 5.

On Saturday, May 9th, the Pearson-Pickerel Lions Club will be giving away Sugar Maple seedlings in front of the Post Office.

On Saturday, May 30th, the Hyland Lakes Lions Club will hold their annual golf fundraiser here.

On Sunday, July 12, our own Pearson-Pickerel Lions Club will hold their annual golf fundraiser here with raffles and food for golfers and non-golfers alike. This event helps fund scholarships and community events.

On Sunday, July 19th, Family Fest is back! Bring the whole family out to the driving range and laundromat properties for music, food, crafts, games, and beer tent.

Golf Memberships

We are now accepting memberships for the 2026 season. Members get unlimited golf during regular play and leagues with no blackout dates, and discounted entry to golf events. We are members of the Central Wisconsin Golf Association, so our members get a punch card allowing deeply discounted play at all other CWGA member courses and the opportunity to play in CWGA tournaments.

For the first time we know of, there were no Holes-in-One in 2025

Our restaurant will offer Friday Fish Fry from May 22nd to September 4th, from 3 to 7:30 this year. Lunch is offered daily from 11-2 from Memorial Day through Labor Day.

*****NEW DATE FOR 2026*****

On Saturday, July 25th, the 14th annual Mike Pomasl Memorial golf fundraiser will take place all day, with 3 shotgun starts. Registration is online only, at maplewoodgolfcourse.com, and fills up fast. This massive fundraiser has raised enough money over the past 13 years to equip our EMS department with the highest quality training and lifesaving equipment, including rescue vehicles and an automated CPR vest that can do hands-free compressions while a patient is being moved and transported. If you are unable to participate in the golf portion, there are games, food, music, and raffles for all to enjoy.

The very next day, on Sunday, July 26th, is our annual Wine & 9 golf event sponsored by the Pickerel-Pearson Business Association. This fun and low-key event includes food, fun, and fellowship, and of course WINE!

On Saturday, August 1st, head to the Fireman's Picnic at the fire station on Johnson Rd, off Cty T for raffles, music, games, and demos. Come support our local volunteer fire department.

On Sunday, August 23rd, we host Putting For The Pantry to benefit the Elcho Food Pantry. Gather your team or just come to participate in the food and raffles for this wonderful cause.

On Friday, August 28th, we'll be hosting the Antigo/ Langlade County Chamber of Commerce's annual Birdies and Bogies Golf Tournament. Register through the Chamber office.

Our final event of the season is the Kettlebowl Ski Hill fundraiser. This event has 2 shotgun starts and registration is online only, at maplewoodgolfcourse.com. This super-fun event has plenty to do for non-golfers as well, with raffles, food, and games open to everyone.
